

# Unity Consciousness Through The Wisdom of Animals

## Basic Animal Communication Workshop

With Author & Animal Communicator

Carole Devereux

Marlboro, New York ~ June 17-19, 2011

"Thank you again for helping me to communicate with my dog. I am beginning to understand why these amazing creatures are in my life, and why I have to work on my own development to "graduate" too! The work you do is very important. It is life changing.

Thank you." Wendy Browning - St. Louis, Missouri

*Learn the truth about your spiritual bond with animals and join an ever-growing group of people who are learning to reconnect with nature and the animal kingdom . . . telepathically.*

### GOALS

- Learn to empty your mind and open your heart for sending and receiving telepathic messages with animals.
- Learn to ground your soul-to-soul contact with animals in everyday life.
- Learn what an animal needs in the last stages of life.
- Learn how to exchange human-centered perspectives with "all-encompassing unity."
- Practice love, joy, compassion & equanimity to free your spirit and enjoy animals in a sacred way.

### BENEFITS

- Increased awareness of how telepathy improves animal health and behavior.
- Increased ability for animals to trust humans and share their wisdom with us.
- Increased awareness of animals as spiritual beings.
- Increased freedom for animals to manifest their life's path/destiny.
- Increased confidence in your ability to heal past-life traumas with animals.
- Increased ability for you to serve/heal the Earth in harmony with nonhuman species.

**Start Time:** The class runs from 5 PM to 7 PM on Friday evening, and 9 AM to 6 PM on Saturday and Sunday. Animals may be present. Contact Sponsor for guidelines. A list of accommodations will be sent upon receipt of registration.
